**** NADCP and NPC Research, with support from BJA, are hosting Listening Sessions and want to hear from you!**

WHO? Practitioners from all disciplines who are team members from all Adult Treatment Court types.

WHY? Identify major concerns, potential solutions, and successes. Highlight lessons learned and promising practices to share. Shape future funding and training opportunities.

This is a unique opportunity to speak with national experts and researchers. Be a part of future conversations! Space is limited, so preregistration for these three Listening Sessions is required. Please use the links below to register for the Listening Sessions, or see the QR codes in the Workshop Summaries.
